Dear Mr. Soule;

I am here on a
visit to Mr. Siddings
& send you my letter
from this point. Be-
fore leaving home I had
finished the letter and
the last page which
I have added here.

I would like, exceedingly,
to be with you, & wish I had
had more time to write
so that I could have said
something more worthy.
Very truly Yours
Geo. W. Julian
